## ZERO G ZE 1352

Swivel office chair with lightweight plastic structure. An ultralight chair thanks to its materials and elegant shapes. Zero-G is available with or without integrated armrests in black or white plastic design.

<b>Mechanism</b>	Height-adjustable rocking mechanism with possibility of locking in basic position.
<b>Features</b>	The frame of chair, including integrated armrests, is made of polyamide, glass fibres are added to increase firmness.
<b>Upholstery</b>	The chair is upholstered with breathable mesh Shrinx with high firmness. Mesh material – 70 % polyester, 30 % polyamide. Mesh colours to be selected from fabric collection.
<b>Base</b>	Five-star stable base $\varnothing$ 68 cm, made of polyamide. Black gas spring.
<b>Castors</b>	Hard or soft double castors of $\varnothing$ 60 mm, black, braked – depending on the load, for soft or hard floor surface (as per DIN EN 12529). The chair does not move when released which reduces the risk of an accident.
<b>Options</b>	<ul style="list-style-type: none"><li>• White plastic design</li><li>• Polished aluminium base, RAL 9006 or white plastic</li><li>• Soft double castors of <math>\varnothing</math> 60 mm, black, braked – depending on the load, for soft or hard floor surface (as per DIN EN 12529)</li><li>• Castors with chrome ring for soft or hard floor</li><li>• Castors with white ring for soft or hard floor</li><li>• High glides (60 mm)</li><li>• High glides (60 mm) with felt pad</li></ul>
<b>Warranty</b>	5 years (see Business conditions).
